OPEN CALL: Embark on the STARRISE Journey!

We invite you to [apply for the STARRISE Journey](#), which aims to enhance capacity building and collaboration between stakeholders in the agri-food and logistics sectors especially in the regions of Latvia, Romania (Nord-Vest), Portugal (North), Spain (Canary Islands), Greece (Thessaly) and France (Martinique). Successful applicants will gain access to **training, expert advice and opportunities to collaborate with other organisations**, while contributing to innovative solutions that drive the industry forward.

3, 2, 1...STARRISE training is on!

The STARRISE consortium members benefit from tailored training related to **innovation management** by the German partner IMP3ROVE. This way, partners of the 6 STARRISE regions are better prepared to **provide targeted support to companies in the agri-food and logistics sector**. In addition, the training sessions enable the consortium to better identify and develop innovative investment projects...

Igniting Innovation Beyond Borders: STARRISE team in Martinique!

In the 1st week of June, STARRISE was in Martinique, hosted by the consortium partner CCI Martinique.

The STARRISE consortium visited **local representatives of the agri-food and logistics sectors**, received training on Innovation Strategy and Design Thinking delivered by IMP3ROVE, and participated in a workshop with local SMEs, providing valuable insights and knowledge to leverage their position in the national and international markets.
